Hey, hey, hey!

Billy Kane

Description

One of my favourite Fatal Fury/KOF characters, Billy Kane. There's a few reasons why I like him so:

- He's British, cool and is only a slightly bad stereotype (looking at you Dudley);
- He's Geese Howard's right hand man;
- He's got a literal second name. That's just cool.

His voice is also ridiculous, both Japanese and English variants. Anyway, in a strange change of pace this was inspired by a life drawing session (see inspiration). The model brought in a wooden cane to pose with and all I could think of was Billy Kane, so I this was born!

Sincere apologies for lack of illustrations of late. I'm honestly trying everything in my power to do more - for my own sake!
